Technical draw

Panel

Options

Broom clip

One broom clip, possibility to add more

Linen bag holder, powder coated

Upper liftable holder
Lower liftable base with metal bars and abrasion-proof, non-marking donut bumpers Ø100 mm
Robust, water-repellant PES laundry bag (127 L) in burgundy red

Metal drawer

Adjustable separators made of HPL
(size S=1 pc. / size M=2pcs. / size L=3pcs.)
Sturdy metal rails
Soft closing
Integrated, mechanical pullout stop

Doors lockable in laminated wood

Size S=1 door, size M=2 doors, size L=2 doors
Handle included in the locking mechanism, 2 keys
Upper magnetic latches

Selective waste sorting kit

3 plastic containers
Lower liftable base with metal bars and 2 donut bumpers

Lockable metal lid, powder coated

Handle with chrome finish
Adjustable separators made of HPL (S=1 pc lengthwise, 1 depthwise / M=1 pc lengthwise, 2 depthwise / L=1 pc lengthwise, 3 depthwise)

Bucket holder, powder coated

Lower, full steel base
Dimensions: 354 x 566 mm
2 buckets, 12 L each (red and blue)
2 bumpers Ø100 mm

Waste bag holder, powder coated

Upper liftable holder
Black plastic lid with Caddie logo
Lower liftable base with metal bars and abrasion-proof, non-marking donut bumpers Ø100 mm

Waste bag holder with mask bag, powder coated

Upper liftable holder
Black plastic lid with Caddie logo
Water-repellant PES laundry bag (127 L) in burgundy red
Lower liftable base with metal bars and abrasion-proof, non-marking donut bumpers Ø100 mm

Waste bag holder, powder coated

Upper liftable holder
Black plastic lid with Caddie logo
Lower, full steel base, dimension 354 x 566 mm LxW
2 buckets, 12 L each (red and blue)

Holders for waste sorting kit with 1 bag and mask bag

Upper folding support
Black plastic lid with Caddie logo
Black polyester bag 127 L
Lower folding support with metal bars e non-marking bumper wheels Ø100 mm

Upgrade for 4 super elastic castors Ø200 mm, two of which with brake. Optional not compatible with RS5

Upgrade for 4 nylon swivel castors, and 2 with brake

Ideal for carpeted floors
Castor made of nylon Ø160 mm

Laundry bag holder, powder coated

Upper liftable holder
Lower liftable base with metal bars and abrasion proof, non-marking donut bumpers Ø100 mm
Polyester laundry bag with drawstring (127 L)

SE-Bucket of 12 L

2 buckets, 12 L each (red and blue)

Tool box

Handy tool box with grip
Material: Polypropylene copolymer
Dimensions: Height (with handle) 26 cm, Width 29 cm, length 33 cm; Single compartments 10 x 30 x 14 cm

Vacuum cleaner holder, powder coated

Lower liftable, full steel base with retaining bar
Donut bumpers on each corner Ø100 mm
Upper holder 340 L x 370 D

e-DRIVE

Fifth motorized wheel (forward and backward) electrically operated by knob
180w 24v electric motor with electromagnetic unlockable brake
2 polyurethane castor diameter 160 mm
2 batteries + charger + battery charge level indicator
Control button box in painted plastic RAL 9006
Made in France and Certificate of Integrability CE

Technical features

- 2 height adjustable shelves
- Non marking and full wrap-around rubber bumper
- Top level with adjustable separators for convenient organization
